## ND CHEM TAILGATES

Hosted by Daniel, Caitlin, and JT

SATURDAY 11/20

It's the last tailgate of the year everyone! Come join your classmates, blow off some steam, and partake in shenanigans as the Irish take on Georgia Tech. Kickoff is at 2:30pm so we will start tailgating at 9:30am.

## CHILI COOK OFF

For the last tailgate we will be crowning a ND Tailgate Chili Cook Off Champion 2021! (with prize) The competition is open to everyone! Judging begins at noon and chili must be warm. We will have a generator available to re-heat crockpots for short periods of time but not to actually cook your chili (duh).

## WHAT TO BRING

Bring enough food/drink for yourself. We bring the grill. You bring the food. We bring the shot-ski. You bring the booze. First years bring Fireball per tradition and when in doubt bring a side or dessert to share!

### VENMO

Help me, I'm poor.

If you're not able to bring food please contribute to the Venmo @NDChemTailgates to fund the communal food and drink that the set-up crew spends their own money on to provide! Funds are also used to help buy canopies, tables, grills, etc.

### LOCATION

We meet in North White Field. Parking is free with a student pass. Once we set up we will send an email with our exact location.
